

Group lessons:

Benefits of classes in small groups:

- Interacting with your classmates is highly effective for your language development
- Mixed-level classes can help everyone learn more. The lower-level learners will be pushed more than if they were alone, and the higher-level learners can solidify their knowledge by helping others
- The questions and additional information from the other learners in class can add extra information that the instructor didn't plan on teaching
- Learning in a group can take the pressure off of you

Lessons will help you with:

- Listening, speaking, reading and writing
- Build up your confidence in everyday conversation English
- Discussion/topic English - newspaper articles, hot topics, business, culture, society, etc
- Exams preparation - IELTS, FCE, TOEFL, TOEIC
- Business English - business expressions, presentations, meetings, negotiations, emails, telephone English and more
- Pronunciation, vocabulary, grammar, idioms, expressions
- CV writing, application forms, letters, reports, documents, assignments
